- ☐ Return this application to the school office on or before March 15th.

KRISSIE HILLIARD MEMORIAL SCHOLARSHIP FUND

In 1989 the parents of Kristine “Krissie” Hilliard, wishing to perpetuate the name and memory of Krissie Hilliard, established a fund to provide scholarships which would partially cover tuition to attend St. Mary Elementary School.

The selection of the recipients will be based on financial need and scholastic achievement. Catholic and non-Catholic students may apply.

To be eligible, a student must:

1. Be in financial need of said Scholarship.
2. Submit a proper application with all supporting documentation (essay and letter of recommendation)

The Scholarships are a grant, not a loan.

The Scholarships are to be awarded to students selected by an Evaluation Committee consisting of Pastor and Principal of St. Mary School. The Scholarship may be revoked at any time by members of the Evaluation Committee, if certain academic and moral standards are not maintained. Decisions of the Committee are final.
